

# Vatican II Document Studies

"It seemed to me that timing the launch of the Year of Faith to coincide with the fiftieth anniversary of the opening of the Second Vatican Council would provide a good opportunity to help people understand that the texts bequeathed by the Council Fathers, in the words of Blessed John Paul II, 'have lost nothing of their value or brilliance.' They need to be read correctly, to be widely known and taken to heart as important and normative texts of the Magisterium, within the Church's Tradition... I feel more than ever in duty bound to point to the Council as *the great grace bestowed on the Church in the twentieth century....*"
